MEMORANDUM FOR: Director of Personnel

FROM : [REDACTED]
Freight Traffic Branch

STATINTL

VIA : Director of Logistics

SUBJECT : Claim Based on Illegal Detail

REFERENCES : (a) Comptroller General Decision dtd 5 Dec 75, B-183086
(b) Comptroller General Decision dtd 20 Feb 76, B-184990

I am forwarding this memorandum to request a review be made of my assignment to the Soviet Bloc Division, DDP, for the period of assignment until my transfer on 19 July 1971 to establish my claim for back pay based on the two Comptroller Decisions cited in the above references.

This claim is based on being detailed to a higher-graded job for more than 120 days with no promotion, without advance approval by the Civil Service Commission.

Since reference (b) above states that a claim must be filed within six years after the detail ends, I am choosing this memorandum format to establish my claim.

Your attention to this request would be appreciated.

The Office of Logistics, however, takes exception to Mr. [REDACTED] statement that this was an illegal detail. The assignment was made in accordance with Office of Logistics and Agency policy, which does permit the assignment of an officer to a position at a higher grade level. Promotions are competitive and based principally on performance and, while the grade of the position is a factor, it is not the major consideration.
